Dear Commissioners:

The Crawford County Board of Commissioners is completely in support of the planned four-way interchange for North Down River Road and Interstate 75. We appreciate all the work the Crawford County Road Commission has committed to this project. If you are successful in obtaining the necessary funding to move forward on this project, Crawford County is willing to donate the necessary easement at the fish hatchery bridge to the Crawford County Road Commission. This property would be 0.39 acres and have a value of \$3,421.05.

Please contact us if you need any further assistance

Sincerely,

David J. Stephenson, Chair
