AIS Construction Equip. 8300 M-72 East Williamsburg, Mi 49690 2016 John Deere 770GP	2016 John Deere 770GP	170-245 HP	Full Warranty for the entire length of the lease Travel time included for repairs and or maintenance	90 days Bid firm for 60 days	\$2,083.00/\$4,166.00 monthly for two

Operators demode both Motor Graders this past summer and last week. The overall feedback was that they were impressed with both machines, however they felt more comfortable with the John Deere because of the safety of having a steering wheel unlike the Cat only having joy sticks.

Staff recommends leasing the John Deere 770GP for \$2,083.00 per month/\$4,166.00 monthly for two
