The Honorable Anthony Foxx, Secretary  
U.S. Department of Transportation  
1200 New Jersey Avenue, S.E.  
Washington, DC 20590

Dear Secretary Foxx:

I am writing to express my support for the TIGER grant application submitted by the Crawford County Road Commission.

This funding will allow the road commission to convert the I-75 interchange at North Down River Road into a full-access interchange. Under the current design, motorists must travel through downtown Grayling in order to reach locations such as the regional hospital and the Michigan National Guard facility at Camp Grayling. This causes traffic congestion in the city and increases travel times. As a result of this funding, the commission can ensure access to critical destinations while improving the quality of life for local residents.

I trust you will give this application every consideration for funding. I would like to be informed as to the timetable for processing these applications and of the disposition of this application in particular. Please address your response to my Traverse City office at the address and telephone number shown below.

Sincerely,

Carl Levin

CL/dd
