

Plan of Action

May 14, 2026

Structure: 2078 (20306A00012B010) STECKERT BRIDGE RD, 10 MI SE OF GRAYLING at SOUTH BRANCH AU SABLE in Crawford County, North Region

After review of the damage and inspection performed by Jim Rintala of OHM Advisors, the Crawford County Road Commission proposes the following Action Plan.

The Bridge will be re-opened to traffic on Monday, May 18th. The Road Commission will be placing temporary concrete barrier walls on each approach on the west side of the structure. The Road Commission will be placing temporary water-filled barrier walls on the bridge deck to channel traffic across the structure until such time that repairs are made. Speed limit will be temporarily posted to 25 MPH until repairs are completed.

OHM advisors are currently working on estimates and a plan for design engineering, construction engineering and a proposal to bid for repairs.
